MANAGEMENT INFORMATION CIRCULAR
for the Annual and Special Meeting of Shareholders
to be held on Wednesday, July 31, 2024

June 18, 2024

GENERAL

Solicitation of Proxies

This Management Information Circular (“Circular”) is furnished in connection with the solicitation by management of 49 North Resources Inc. (“49 North”, the “Company”, or the “Issuer”) of proxies for the annual and special meeting (the “Meeting”) of the registered holders of common shares of the Company (the “Shareholders”) which is to be held at McKercher LLP, 374 Third Avenue South, Saskatoon, Saskatchewan on Wednesday, July 31, 2024, commencing at 2:00 p.m. (Central Standard Time).

Solicitation of proxies will be primarily by mail, but may also be undertaken by telephone, email, facsimile, or oral communications by the directors and officers of the Company, at no additional compensation. Subject to use of the Notice-and-Access Provisions (defined below) in relation to the delivery of the Notice of Annual and Special Meeting (the “**Notice**”) and Circular to Shareholders, the Company has engaged its registrar and transfer agent, Alliance Trust Company, at its offices in Calgary, Alberta, to aid in the mail-out of the Notice-and-Access Notice (defined below) and related Meeting materials, and to receive and tabulate proxy forms and voting instructions for the Meeting. The cost of the solicitation of proxies will be borne by the Company.

Voting Shares and Principal Holders of Shares

The Company’s authorized capital consists of an unlimited number of common shares and an unlimited number of first preferred shares, issuable in series, and an unlimited number of second preferred shares, issuable in series; of which, as at the close of business on June 17, 2024, there were 166,271,110 common shares, 2,662,311 first preferred, series 1 shares and 674,781 first preferred, series 2 shares issued and outstanding.

The directors of the Company have fixed June 18, 2024 as the record date (the “**Record Date**”) for the determination of Shareholders entitled to receive notice of the Meeting. Each person who is the holder of common shares on the Record Date is entitled to one vote per common share so held, except to the extent that the person has transferred the ownership of any of the common shares after the Record Date and the transferee of those shares produces a properly endorsed share certificate or otherwise establishes that he or she owns such shares and demands, not later than 10 days before the Meeting, that his or her name be included in the list of Shareholders entitled to vote at the Meeting, in which event the transferee shall be entitled to vote such shares at the Meeting. The common shares referred to above are the only voting shares of the Company that are outstanding as of the Record Date and, accordingly, only the holders of common shares are entitled to receive notice of or vote at the Meeting. The holders of first preferred, series 1 shares and first preferred, series 2 shares are not entitled to receive notice of or vote at the Meeting.

As of June 17, 2024, Tom MacNeill owns, controls, or directs, directly or indirectly, 19,869,581 shares being 11.95% of all issued and outstanding shares. To the knowledge of the directors and executive officers of the Company, as of the date hereof, no other person or company beneficially owns, or controls or directs, directly or indirectly, shares of the Company carrying 10% or more of the voting rights attached to any class of voting securities of the Company. Unless otherwise stated or unless the context otherwise indicates, all references hereafter in this Circular to “**shares**” means common shares of the Company and all references to “**Shareholders**” mean the registered holders of such shares.

Appointment, Signing and Revocation of Proxies

If your shares are held by or through a nominee such as a dealer, broker, or other intermediary, please see the instructions below under *Beneficial Owners*.

Shareholders who are unable to attend the Meeting and vote in person may still vote by appointing a proxy. Tom MacNeill and Andrew Davidson (the management designees named in the form of proxy) are executive officers of the Company. **A Shareholder who wishes to appoint another person (who need not be a Shareholder) to represent the Shareholder at the Meeting may either insert the person's name in the blank space provided in the form of proxy or complete another proper form of proxy.** Proxies will not be valid unless deposited at the offices of the Company's registrar and transfer agent, Alliance Trust Company at #1010, 407 – 2nd Street SW, Calgary, Alberta, T2P 2Y3, in the self-addressed envelope provided, by not later than 2:00 p.m. (Central Standard Time) on Monday, July 29, 2024 (or, in the case of an adjournment of the Meeting, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the adjourned Meeting).

A form of proxy must be signed by the Shareholder or his or her duly authorized attorney in writing in accordance with the instructions printed on the form. A Shareholder has the right to revoke a submitted proxy at any time prior to its use. To do so, the Shareholder may deliver a written notice to the registered office of the Company at 374 3rd Avenue South, Saskatoon, Saskatchewan, S7K 1M5, at any time up to and including the last business day before the Meeting or any adjournment of the Meeting. The proxy may also be revoked on the day of the Meeting or any adjournment of the Meeting by delivering written notice to the Chair of the Meeting, or designate thereof, and, additionally, may be revoked in any other manner permitted by law. The written notice of revocation must be signed by the Shareholder or by an attorney who has the Shareholder's written authorization. If the Shareholder is a corporation, the written notice must be signed by its duly authorized officer or attorney.

Voting of Proxies

The management designees named in the form of proxy will vote or withhold from voting the shares in respect of which they are appointed in accordance with the instructions of the Shareholder appointing them and if the Shareholder specifies a choice with respect to any matter to be voted upon, the shares will be voted accordingly. **In the absence of such instruction, the relevant shares will be voted in favour of all matters referred to in the Notice and discussed in this Circular under the heading "PARTICULARS OF MATTERS TO BE ACTED UPON".** The form of proxy confers discretionary authority on the persons named therein with respect to amendments or variations to such matters and with respect to other matters that may properly be brought before the Meeting. As at the date hereof, management knows of no such amendment, variations, or other matters to be brought before the Meeting.

Beneficial Owners

Subject to the provisions of National Instrument 54-101 *Communication With Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101"), only registered holders of the Company's common shares are entitled to receive notice of the Meeting and only registered holders or their duly appointed proxies are entitled to vote at the Meeting. Most Shareholders of the Company are not registered holders because their shares are registered in the name of CDS & Co., as nominee of CDS Clearing and Depositary Services Inc. ("CDS" or the "Depositary") pursuant to the book-entry system operated by CDS (the "Book-Entry System"). Shares represented by certificates registered in the name of the Depositary are held by the Depositary on behalf of various dealers, brokers or other participants in the Book-Entry System (collectively "Intermediaries") who in turn hold those shares (directly or indirectly through one or more other Intermediaries) for the respective customers and accounts of such Intermediaries (the "Beneficial Owners").

As a Beneficial Owner, you may vote or cause your shares to be voted at the Meeting in any one of the following ways:

- (a) **Voting in Person:** If you plan to attend the Meeting and wish to vote your shares in person, insert your own name in the space provided on the voting instruction form or form of proxy. Then sign and return the voting instruction form or form of proxy to the offices of Alliance Trust Company by (i) facsimile at 403-

237-6181; (ii) by mail via the proxy return envelope provided; or (iii) online at www.alliancetrust.ca, by not later than 2:00 p.m. (Central Standard Time) on Monday, July 29, 2024 (or, in the case of an adjournment of the Meeting, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the adjourned Meeting); or

- (b) **Voting Instructions:** Whether or not you attend the Meeting, you can appoint someone else to attend and vote as your proxyholder. Use the voting instruction form or form of proxy to do this. The persons named in the voting instruction form or form of proxy are officers of the Company. You can choose another person to be your proxyholder by printing that person's name in the space provided. Then sign and return the voting instruction form or proxy to the offices of Alliance Trust Company by (i) facsimile at 403-237-6181; (ii) by mail via the proxy return envelope provided; or (iii) online at www.alliancetrust.ca, by not later than 2:00 p.m. (Central Standard Time) on Monday, July 29, 2024 (or, in the case of an adjournment of the Meeting, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the adjourned Meeting). Your votes can only be counted if the person you appoint attends the Meeting and votes on your behalf.

A Beneficial Owner has the right to revoke a submitted voting instruction form or form of proxy at any time prior to its use. To do so, the Beneficial Owner may deliver a written notice to the registered office of the Company at 374 3rd Avenue South, Saskatoon, Saskatchewan, S7K 1M5, at any time up to and including the last business day before the Meeting or any adjournment of the Meeting. The voting instruction form or form of proxy may also be revoked on the day of the Meeting or any adjournment of the Meeting by delivering written notice to the Chair of the Meeting, or designate thereof, and, additionally, may be revoked in any other manner permitted by law. The written notice of revocation must be signed by the Beneficial Owner or by an attorney who has the Beneficial Owner's written authorization. If the Beneficial Owner is a corporation, the written notice must be signed by its duly authorized officer or attorney.

Delivery of Meeting Materials

In accordance with the provisions of NI 54-101 and using Notice-and-Access (as defined below), the Company will distribute or cause its agents to distribute copies of the Notice-and-Access Notice, voting instruction form or form of proxy, and certain other information to Shareholders.

If you are a Beneficial Owner and 49 North has sent these materials directly to you, your name, address, and information about your share holdings have been obtained from the lists of non-objecting beneficial owners as of the Record Date by or on behalf of the Company in accordance with the procedures under NI 54-101. Beneficial Owners who have objected to the disclosure of ownership information about themselves may receive the meeting materials through Broadridge Financial Solutions, or another agent. The Corporation does not intend to pay for Broadridge Financial Solutions or other agent to forward the meeting materials to objecting Beneficial Owners, and as a result an objecting beneficial owner will not receive the meeting materials unless the objecting beneficial owner's intermediary assumes the cost of delivery. *By choosing to send meeting materials to Beneficial Owners directly, the Company (and not the Intermediary holding shares on behalf of the Beneficial Owners) has assumed responsibility for (i) delivering the meeting materials to Beneficial Owners and (ii) executing the respective Beneficial Owners proper voting instructions.* The purpose of these procedures is to obtain voting instructions from the Beneficial Owners so as to permit the Beneficial Owners to direct the voting of the shares they beneficially own.

If your shares are registered in your name, the form of proxy will be a proxy form. If your shares are held by or through an Intermediary, the form may be a voting instruction form or a proxy form depending on the procedures of the applicable Intermediary. A Beneficial Owner receiving a voting instruction form/proxy form cannot use that voting instruction form/proxy form to vote shares directly at the Meeting. As discussed above, the voting instruction form/form of proxy must first be returned to the Company's registrar and transfer agent in advance of the Meeting in order to have the shares voted.

Notice and Access

The notice-and-access provisions under National Instrument 51-102 *Continuous Disclosure Obligations* ("NI 52-102") and NI 54-101 (collectively, "Notice-and-Access") are a mechanism which allows reporting issuers other

than investment funds to choose to deliver certain proxy-related materials to registered holders and beneficial owners of securities by posting such materials on a non-SEDAR website (usually the reporting issuer's website and sometimes the transfer agent's website) rather than delivering such materials by mail. Notice-and-Access can be used to deliver materials for both special and general meetings. Registered holders and beneficial owners will be entitled to request delivery of a paper copy of the information circular at the reporting issuer's expense.

The Company has elected to use Notice-and-Access to deliver the meeting materials to shareholders. In order for the Company to utilize Notice-and-Access to deliver proxy-related materials by posting electronically on a website that is not SEDAR, the Company must send a notice ("**Notice-and-Access Notice**") to shareholders indicating that the proxy-related materials have been posted and explaining how a shareholder can access them, or obtain from the Company a paper copy of such meeting materials. Additionally, the Notice-and-Access Notice, explains how a shareholder can obtain a paper copy of any related financial statements and MD&A. The Notice-and-Access Notice has been delivered to shareholders by the Company, along with a form of proxy or voting instruction form.

In order to use Notice-and-Access, a reporting issuer must set the record date for notice of the meeting to be on a date that is at least 40 days prior to the meeting in order to ensure there is sufficient time for the materials to be posted on the applicable website and other materials to be delivered to shareholders. The Company will not rely upon the use of "stratification". Stratification occurs when a reporting issuer using Notice-and-Access provides a paper copy of the management information circular with the Notice-and-Access Notice to any of its shareholders. No registered holder or beneficial owner of shares will receive a paper copy of the Circular from the Company or any Intermediary unless such shareholder specifically requests same.

The Circular has been posted in full under the Company's SEDAR profile at www.sedarplus.ca, on the Company's website at www.fnr.ca and at the following internet address: <http://alliancetrust.ca/Shareholders/>.

Any shareholder who wishes to receive a paper copy of the Circular must make contact with the Company's transfer agent, Alliance Trust Company at #1010, 407 – 2nd Street SW, Calgary, Alberta, T2P 2Y3 or by phone at 1 (403) 237-6111 or by emailing inquiries@alliancetrust.ca. In order to ensure that a paper copy of the Circular can be delivered to a requesting shareholder in time for such shareholder to review the Circular and return a proxy or voting instruction form prior to the proxy deadline, it is strongly suggested that a shareholder ensure their request is received no later than five (5) business days in advance of the proxy return time set out in the form of proxy or voting instruction form.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Effective January 1, 2008, the Company and TMM Portfolio Management Inc. (“**TMM**”) entered a portfolio management agreement (the “**Portfolio Management Agreement**”). Mr. Tom MacNeill, the President and CEO of the Company, was, and continues as of the date hereof to be an officer, director, and the sole Shareholder of TMM. Pursuant to this Portfolio Management Agreement, since January 1, 2008, TMM has been entitled to be paid a quarterly management fee equal to 0.5% of the net asset value of the Company calculated as of the last business day of the relevant fiscal quarter, which management fee is payable on or prior to the end of the month next following the relevant fiscal quarter; and in each fiscal year of the Company, starting with its fiscal year ended December 31, 2008, TMM is entitled to receive a performance bonus, calculated as of the last business day of the applicable fiscal year, in an amount in respect of each common share that is outstanding as of such day, equal to 20% of the amount, if any, by which the sum of the net asset value per common share as of that date, plus all dividends or other distributions per common share made during that fiscal year, exceeds the greater of \$16.34 and the net asset value per share as of the last business day of the preceding fiscal year. Any such performance bonus is payable within 30 days following the end of the fiscal year to which it relates. Management fees and, if applicable, any performance bonus, not paid by the due dates described above bear interest at prime plus 2% until paid in full. Additionally, the Company reimburses TMM for all expenses reasonably and properly incurred in performing its duties and obligations under the Portfolio Management Agreement, provided that such reimbursements do not include charges for overhead or profit, it being specifically acknowledged in the Portfolio Management Agreement that such overhead and profit has been taken into consideration in determining the management fees and, if applicable, performance bonus, payable as described above.

Notwithstanding the foregoing, on April 1, 2013, TMM and the Corporation agreed to temporarily reduce the management fees payable under the Portfolio Management Agreement to \$10,000 per month until February 1, 2014. From February 1, 2014 until November 1, 2014 the management fee was fixed at \$17,000 per month. From November 1, 2014 to December 31, 2016 the management fee was fixed at \$20,000 plus GST per month, following which the management fees returned to the original compensation as documented in the Portfolio Management Agreement.

Effective June 1, 2015, the Company and Jaelky Holdings Inc. (“**Jaelky**”) entered into a management and consulting agreement (the “**Management and Consulting Agreement**”). Mr. Andrew Davidson, the Chief Financial Officer of the Company, was and continues as of the date hereof to be the sole director, officer and voting shareholder of Jaelky. Pursuant to the Management and Consulting Agreement, Jaelky is entitled to be paid a monthly consulting fee of \$20,000.00 plus GST.

Effective January 1, 2016, the Board adopted an executive compensation plan (the “**Executive Compensation Plan**”). Directors of the Company who are not also officers or employees of the Company (or who do not perform their duties as an officer or employee of the Company on substantially a full-time basis) and directors of the Company who are not directors, officers, or employees of, or associated or affiliated with, TMM or Jaelky, are considered to be “independent directors” for the purposes of this Executive Compensation Plan. For this purpose, all of the Company’s current directors and nominees for election as directors at the Meeting are currently considered independent directors, with the exceptions of Mr. Tom MacNeill, who in addition to being a director, the President, and CEO of the Company, is also the sole shareholder and a director and officer of TMM, and Mr. Andrew Davidson, who in addition to being the Company’s Chief Financial Officer, is also the sole voting shareholder and a director and officer of Jaelky. Independent directors have received a stipend of \$12,000 annually from January 1, 2016 to March 31, 2019, paid in quarterly installments. Since March 31, 2019, no director fees were paid by the Company. The Company intends to resume the annual stipend when circumstances allow.

The Executive Compensation Plan shall be reviewed annually by the board of directors and may be amended from time to time if the board of directors deems it is appropriate to do so.

Executive officers, other than Tom MacNeill (who is compensated under the Portfolio Management Agreement) and Andrew Davidson (who is compensated under the Management and Consulting Agreement), are paid such compensation as is from time to time agreed to by the Board or otherwise in accordance with the respective terms

and conditions of employment set forth in written employment agreements between the Company and such executive officers. As at the date hereof, the Company is party to the Portfolio Management Agreement with TMM and the Management and Consulting Agreement with Jaelky.

With the exception of Mr. Tom MacNeill, whose annual performance bonus entitlement is prescribed by the formula contained in the Portfolio Management Agreement, executive officers of the Company are entitled to receive discretionary cash bonuses from time to time as determined by the Board or the President and CEO, as applicable. 49 North's cash bonus awards are designed to attract and retain senior executives while at the same time motivate those executives to use their best efforts to drive the short-term performance of the Company's business for the benefit of both the Company and its Shareholders. No bonuses were paid by the Company for the 2021, 2022 or 2023 financial years.

All directors and officers are also entitled to be reimbursed for all fees and expenses reasonably incurred in performing their duties as such; and all directors and officers and former directors and officers, and their respective heirs, executors, administrators or other legal representatives, will be indemnified by the Company from and against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by such person in respect of any civil, criminal, administrative, investigative, or other proceedings in which such person is involved because of being or having been a director or officer of the Company, provided that such right of indemnification shall be subject to the limitations thereon under applicable law, including provisions of the SBCA that require such person to have acted honestly and in good faith and, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, to have had reasonable grounds for believing that his or her conduct was lawful.

Option-based Awards

The Shareholders of 49 North approved a stock option plan (the "**2008 Stock Option Plan**") at the Company's annual and special meeting held June 4, 2008. The purpose of the 2008 Stock Option Plan is to attract, retain and motivate Directors, Employees and Consultants (as those terms are defined in the Plan and in accordance with policies of the TSXV) and to advance the interests of 49 North by providing such persons with the opportunity, through Options (as defined in the Plan), to acquire an equity interest in the Issuer. The plan, which is a "rolling" plan for the purpose of TSXV policies, is administered by the Board and authorizes the Board to grant stock options on the following terms:

- (a) the total number of shares that may be reserved pursuant to Options granted under the Plan may not exceed 10% of the issued and outstanding shares of the Issuer as at the date of the grant.
- (b) the number of shares subject to each Option is determined by the Board provided that:
 - (i) in no case will an insider be granted an Option where: (1) the number of shares that may be purchased by insiders pursuant to Options, and any other incentive stock options granted by the Issuer, exceed 10% of the Issuer's issued and outstanding shares; or (2) the Options, and any other incentive stock options granted by the Issuer, granted to insiders in any 12 month period exceed 10% of the Issuer's issued and outstanding shares, in each case determined at the date of grant;
 - (ii) in no case will a Director or Employee be granted an Option where the number of shares that may be purchased by that Director or Employee pursuant to Options, and any other incentive stock options granted by the Issuer, in any 12 month period exceed 5% of the Issuer's issued and outstanding shares, determined at the date of grant;
 - (iii) in no case will a Consultant be granted an Option where the number of shares that may be purchased by that Consultant pursuant to Options, and any other incentive stock options granted by the Issuer, in any 12 month period exceed 2% of the Issuer's issued and outstanding shares, determined at the date of grant; and
 - (iv) in no case will the aggregate number of shares that may be purchased pursuant to Options granted to persons conducting Investor Relations Activities (as defined in the Plan) exceed 2% of the Issuer's issued and outstanding shares in any 12 month period, determined at the date of grant.

- (c) the exercise price of an option may not be less than the “Discounted Market Price” (as defined by the policies of the TSXV) which, for these purposes, means the last closing price of the shares before the date of the stock option grant, less any discount allowed by the TSXV, subject to a minimum price of \$0.05. However, if options are granted within 90 days of a public distribution of shares by a prospectus, then the minimum exercise price must be the greater of the Discounted Market Price and the per share price paid by public investors for shares acquired in the prospectus distribution.
- (d) options may be exercisable for a maximum of 10 years from the date of grant, or such shorter period as may be determined by the Board in connection with any particular options granted pursuant to the Plan, provided that options can only be exercised while the optionee is, or within 90 days of ceasing to be, a Director, Employee or Consultant or, if the optionee dies, within one year of the optionee’s death. As an exception to the foregoing, options that expire either during a blackout period imposed by the Issuer or within 10 business days following such blackout period shall be deemed to expire on the date that is the 10th business day following such blackout period. For these purposes, “blackout period” means the period during which trading in the securities of the Issuer by insiders is restricted in accordance with the policies of the Issuer.
- (e) options granted pursuant to the Plan are non-assignable and non-transferable (subject to certain provisions of the Plan which, in the event of an optionee’s death or incapacity, allow options to be exercised by the optionee’s estate or other personal representatives as applicable); and
- (f) the Plan includes conventional anti-dilution adjustment provisions pursuant to which if the shares of the Company are subdivided or consolidated or, subject to the Board’s discretion, if a stock dividend is paid on the shares, then the number of shares reserved for option and the price payable for shares that are subject to option will be adjusted accordingly; as well as conventional anti-dilution adjustments that may apply upon or as a result of certain stated events, such as a reclassification of common shares, certain types of rights offerings or other distributions (excluding cash dividends paid in the ordinary course), corporate reorganizations, or an amalgamation (or certain other types of merger or acquisition transactions) where the Issuer combines with or is acquired by another company or entity. Additionally, the Plan includes provisions where, in the event of a take-over bid or certain reorganization or merger or acquisition transactions, all unexercised options will immediately become vested (regardless of the vesting conditions, if any, otherwise applicable to such options) or the Board may accelerate the expiry date of options.

No specific formula or criteria is used to determine the quantum of a particular grant (whether in the terms of the number of options or fair value of options). An option grant is intended to recognize, on a reasonable basis, the individual’s specific contribution to the Company in the context of the recipient’s roll. As a matter of course, options granted by the Company vest immediately on the grant date and are not subject to any restrictions or conditions for exercise.
